It will not only be interesting but it will be profitable for you to read that little national dairy magazine, Kimball's Dairy Farmer. It is published semi-monthly at Waterloo, Iowa, the hub of the great dairy region of the central west. It is ably edited, well printed on good book paper and handsomely illustrated by actual photographs taken exclusively for it. Its purpose is educational and to the man who would make his cows yield larger profits, this little magazine is indispensable. Regardless of how many other papers the farmer may take, this one is worth many times its price to him.
